

MAKE YOUR OWN HAPPINESS

The right way to make your own happiness is to become a new creation in Jesus by believing Him and receiving Him as your personal Lord and Savior. Then you are truly able to cultivate happiness in your life.

Lasting happiness can be found by learning the contentment of God being in you and with you through all circumstances of your life.

The promises of God to the believer are the foundation for cultivating happiness in your life. But you must do the work of building on His promises with your actions which result in happiness.

God's promises are numerous.

I will never leave you nor forsake you.

I will not personally hold your sin and your failures against you.

My Spirit will remain in you forever.

My Spirit will be your teacher, your guide, and will even help you pray productively.

I will correct you when you go astray.

I will reward you for your cooperation in the work that I give you to do.

When you call upon Me, I will rescue you from sin and build righteous works in you.

You will inherit a heavenly city and a new heaven and a new earth free of sin and death.

You can be thankful in all circumstances of your life.

You can find contentment in all circumstances of your life.

You can be joyful in all circumstances of your life.

You can talk to God continually without ceasing and enjoy His love and His fellowship.

You can be a help to other people and show them love no matter your circumstances.

You can abstain from all appearances of evil.

You can be restored to fellowship with God when you fail Him.

Hebrews 12,13 1 Thessalonians 5 Romans 5,8,10 1 Corinthians 3 Revelation 21,22

Making your own happiness will flow from your community of Christian fellowship, through your sharing with others why you have joy, and through your actions of helpfulness toward others.

Your foundational work which leads to happiness includes continually seeking God, learning to love God, and learning to love people the way God loves them. Studying Scripture and applying it in your life is the way you seek God and know His love.

The greatest thing in all of life is knowing God and knowing His love through Jesus Christ. John 17:3
